Volunteer Wildlife Monitoring Program (VWMP) Frog and Toad Survey

Inactive Route Table Route ID: 360122 County: Page

SiteNum	Site_Name	Directions
1	0.2	Drive 0.2 miles from start point at the corner -Drive north on Taylor-Page Ave. Pond with rim of grass on left (west)side with 1 willow tree.
2	0.8	Continue north on Taylor-Page Ave. past 180th. Small pool/marshy area/wooded stream on right (east) side of the road. Large willow growing in the pool.
3	1.4	Take a right onto 172nd St. Stop at deep ditch and winding grassy stream on left (north)side of the road. Winds through crop fields.
4	2	Continue east on 172nd. Stop just after passing Aspen Rd. on north. Ponds on both sides of the road.
5	2.8	Continue east on 172nd. Stop is shortly after passing Browing Ave. It is a larger pond on the south side in a valley -long and narrow. Watch where you stop here!
6	3.6	Continue east on 172nd. Stop is at small seep/wet area leading to a stream on the left side of the road. In a pasture, trees around it, lower than road. Land on right is cropped and rising.
7	4.2	Continue east on 172nd. Stop at intersection with Denver Ave. going south. Small pond in pasture bowl on left side of road.
8	4.8	Follow road as it curves to the north. Stop just before you get to 167th. Pond in pasture on right (east)side of road.
9	5.6	Continue north. Stop directly after road curves to the east. There are a couple of ponds and marshy areas on the left side of road partially hidden from view, trees and cttails surround pond.
10	6.6	Follow road as it curves back north. Stop just before road curves to the east - 4 ponds in pasture on the left side (west)of road.
