Purpose and Summary

Chapter 63 provides guidance on consumption of beer dispensed from a keg in state parks, recreation areas, and designated state forest campgrounds. In compliance with Executive Order 10 (2023), Chapter 63 on gatherings involving keg beer is proposed to be rescinded due to outdated and unnecessary language. This chapter is unnecessarily burdensome in light of other existing processes for gatherings within state parks, recreation areas, and designated state forests.

However, one rule from Chapter 63 is proposed to be repromulgated in Chapter 61, and an existing reference in Chapter 61 to Chapter 63 is proposed to be removed. Chapter 61 provides the citizens of Iowa and other visitors who use state parks, recreation areas, and state forest campgrounds with guidance for using these areas. Additionally, during review, it was determined that the phrase “Boy Scouts of America” was no longer accurate, and that has been modified to read “Scouts of America.”
