

## CHAPTER 108

### WILD FURBEARER TRAPPING AND HUNTING

**571—108.1(481A) Badger, opossum, striped skunk, red fox, gray fox, mink, muskrat and weasel.** Open season for the taking of mink, muskrat and weasel shall be from 8 a.m. on the first Saturday in November through February 28 of succeeding year. Entire state open. No bag or possession limit.

**108.1(1) *Disturbing muskrat houses.*** Any department of natural resources officer, natural resource biologist, or county conservation board director may permit trappers to dig into or disturb muskrat houses on specific state or county game management areas as provided in Iowa Code section 481A.90, after finding that muskrats are causing excessive damage by destroying the vegetation essential to the welfare of a marsh and after so posting the area.

**108.1(2) *Game management areas.*** Open season for taking muskrats on certain state game management areas, certain federal national wildlife refuges, and certain county conservation board areas, only where approved by the wildlife bureau and posted accordingly, shall be from 8 a.m. the day after the regular muskrat trapping season ends until April 1. The use of foothold traps during this season is prohibited unless each trap is placed completely inside a muskrat house. No bag or possession limit.

**571—108.2(481A) Groundhog.** Continuous open season. Entire state open. No daily bag or possession limit.

**571—108.3(481A) Raccoon.**

**108.3(1) *Hunting.*** Continuous open season on private lands and from 8 a.m. on the first Saturday in November through February 28 of the succeeding year on public lands. Entire state open. No bag or possession limit.

**108.3(2) *Trapping.*** Continuous open season using cage traps and dog-proof traps on private lands year-round. Trapping limitations described in 571—Chapter 110 apply to trapping raccoons from 8 a.m. on the first Saturday in November through February 28 of succeeding year on all lands. Entire state open. No bag or possession limit.

**571—108.4(481A) Beaver.** Open season for the taking of beaver shall be from 8 a.m. on the first Saturday in November through April 15 of succeeding year. No bag or possession limit.

**571—108.5(481A) Coyote.**

**108.5(1) *Hunting.*** Continuous open season. Entire state open. No bag or possession limit.

**108.5(2) *Trapping.*** Open season for trapping coyote shall be 8 a.m. on the first Saturday in November through February 28 of succeeding year. Entire state open. No bag or possession limit. Any conservation officer or wildlife biologist may authorize a landowner, tenant or designee to trap coyotes causing damage outside the established trapping season dates.

**571—108.6(481A) Gray (timber) wolf and spotted skunk.** Continuous closed season.

**571—108.7(481A) River otter and bobcat.**

**108.7(1) *License requirements.*** Each person who takes river otters or bobcats shall have a valid fur harvester license and pay the habitat fee if normally required to have a license to hunt or trap.

**108.7(2) *Open area.*** River otters may be taken statewide. Bobcats may be taken in the following counties: Adair, Adams, Appanoose, Audubon, Boone, Cass, Cedar, Cherokee, Clarke, Clinton, Crawford, Dallas, Davis, Decatur, Delaware, Des Moines, Fremont, Guthrie, Harrison, Henry, Iowa, Jackson, Jasper, Jefferson, Johnson, Jones, Keokuk, Lee, Louisa, Lucas, Lyon, Madison, Mahaska, Marion, Mills, Monona, Monroe, Montgomery, Muscatine, Page, Plymouth, Polk, Pottawattamie, Poweshiek, Ringgold, Scott, Shelby, Sioux, Taylor, Union, Van Buren, Wapello, Warren, Washington,

Wayne, Webster, and Woodbury.

**108.7(3) Seasonal bag limit.**

*a.* The seasonal bag limit for river otters is 3 river otters per person.

*b.* The seasonal bag limit for bobcats is 1 bobcat per person in the following counties: Audubon, Boone, Cedar, Cherokee, Clinton, Crawford, Dallas, Delaware, Guthrie, Harrison, Iowa, Jackson, Jasper, Johnson, Jones, Lyon, Monona, Muscatine, Plymouth, Polk, Poweshiek, Scott, Shelby, Sioux, Webster, and Woodbury.

*c.* The seasonal bag limit for bobcats is 3 bobcats per person in the following counties: Adair, Adams, Appanoose, Cass, Clarke, Davis, Decatur, Des Moines, Fremont, Henry, Jefferson, Keokuk, Lee, Louisa, Lucas, Madison, Mahaska, Marion, Mills, Monroe, Montgomery, Page, Pottawattamie, Ringgold, Taylor, Union, Van Buren, Wapello, Warren, Washington, and Wayne.

*d.* No more than 3 bobcats total can be legally harvested by a fur harvester in a season. River otters or bobcats trapped in excess of the seasonal bag limit or in a closed area must be turned over to the department; the fur harvester shall not be penalized.

**108.7(4) Season dates.** The season for taking river otters and bobcats opens on the first Saturday in November and closes on February 28 of the following year.

**108.7(5) Reporting requirements.** Anyone, including a landowner or tenant not required to have a fur harvester license, who takes a river otter or bobcat must report the harvest and arrange to receive a CITES tag from the officer or designated DNR employee within seven days of harvest. The river otter or bobcat shall be skinned and its lower jaw or skull turned over to the DNR conservation officer or designated DNR employee at the time the CITES tag is issued. If the specimen is to be kept whole for taxidermy purposes, a cut shall be made by the trapper between the gum line and eye so the CITES tag can be attached to the skin.

**108.7(6) Tagging requirements.** Every river otter or bobcat that may legally be kept must have a CITES tag attached. Tags will be supplied by the conservation officer or designated DNR employee. The tag must remain with the pelt until the pelt is sold or used for other purposes that render it no longer available for sale. Persons displaying river otters or bobcats as taxidermy mounts or as other decorative items must keep the tags in their possession as proof of legal harvest.

**571—108.8(481A) Accidental capture of a river otter or bobcat during a closed season.** A person who accidentally captures a river otter or bobcat during a closed season or in a closed area or after the person's individual bag limit has been reached shall not be penalized provided that:

1. The river otter or bobcat is captured during a legal trapping season or as part of a legal depredation control process; and
2. A conservation officer is contacted within 24 hours and the river otter or bobcat and all parts thereof are turned over to a conservation officer as soon as practical.

**571—108.9(481A) Trapping restrictions.** Trapping for all furbearers will be restricted as follows:

**108.9(1) Exposed bait.** No person shall set or maintain any leghold, body-clasping trap, or snare within 20 feet of exposed bait on land anywhere in the state or over water in the following areas:

*a.* Mississippi River corridor—Allamakee, Clayton, Dubuque, Jackson, Clinton, Scott, Muscatine, Louisa, Des Moines and Lee Counties.

*b.* Missouri River corridor—Those portions of Woodbury, Monona, Harrison, Pottawattamie, Mills and Fremont Counties west of Interstate 29.

*c.* Des Moines River corridor—Boone, Dallas, Polk, Marion, Mahaska, Wapello and Van Buren Counties.

Exposed bait means meat or viscera or any animal, bird, fish, amphibian, or reptile with or without skin, hide, or feathers visible to soaring birds.

**571—108.10(481A) Public roadside limitations—snares and body-gripping type traps.** No person shall set or maintain any snare or body-gripping type trap within any public road right-of-way within

200 yards of buildings inhabited by human beings unless a resident of the dwelling adjacent to the public road right-of-way has given permission or unless the body-gripping type trap is completely underwater or at least one-half of the loop of a snare is underwater. Nothing in this rule shall be construed as limiting the use of foothold traps or box-type live traps in public road rights-of-way. No person shall place or leave any trap, stake, or nonindigenous set making material upon any public road right-of-way except during a period of time that begins two weeks before the trapping season opens and ends on the last day of the season.

**571—108.11(481A) Snares.**

**108.11(1) Placement.** No person shall set or maintain any snare in any public road right-of-way so that the snare when fully extended can touch any fence. Snares may not be attached to a drag.

**108.11(2) Loop size.** No snare when set will have a loop larger than 8 inches in horizontal measurement except for snares set with at least one-half of the loop underwater or snares set on private land other than roadsides within 30 yards of a pond, lake, drainage ditch, creek, stream or river shall not have a loop larger than 11 inches in horizontal measurement.

**108.11(3) Deer locks.** All snares must have a functional deer lock that will not allow the snare loop to close smaller than 2½ inches in diameter.

**108.11(4) Mechanical snares.** It shall be illegal to set any mechanically powered snare designed to capture an animal by the neck or body unless such snares are placed completely underwater.

**571—108.12(481A) Body-gripping traps.** No person shall set or maintain any body-gripping trap on any public road right-of-way within 5 feet of any fence.

**571—108.13(481A) Foothold traps.** No person shall set or maintain on land any foothold trap with metal-serrated jaws, metal-toothed jaws or a spread inside the set jaws of greater than 7 inches.

**571—108.14(481A) Removal of animals from traps and snares.** All animals or animal carcasses caught in any type of trap or snare, except those which are placed entirely underwater and designed to drown the animal immediately, must be removed from the trap or snare by the trap or snare user immediately upon discovery and within 24 hours of the time the animal is caught.

**571—108.15(481A) Trap tag requirements.** All traps and snares, whether set or not, possessed by a person who can reasonably be presumed to be trapping shall have a metal tag attached plainly labeled with the user's name and address.

**571—108.16(481A) Colony traps.** All colony traps must be set entirely under water.  
These rules are intended to implement Iowa Code sections 481A.38 and 481A.92.
