

LWCF BUDGET SHEET

A budget table and narrative must be included with the application that describes how the LWCF funds will be used and **includes sources of match funds for the project**. Make sure to specifically identify what item(s) will be assisted with federal grant funds. For multi-phased projects, only include budgetary information for the phase that the LWCF grant will be included in. The budget table below is required, along with the budget narrative. A supplemental, more detailed budget may be included as an attachment.

In general, federal funds cannot be utilized as match funds for an LWCF grant project. The only exception to this requirement is if the other federal program states in its rules that it can specifically be utilized as an eligible match for the LWCF program.
