

PALISADES-KEPLER STATE PARK

700 Kepler Dr, Mount Vernon, IA 52314

Palisades-Kepler lies along the beautiful Cedar River in Linn County. The 840-acre park has dramatic river bluffs, deep ravines, majestic hardwood trees, a large variety of wildflowers and an abundance of wildlife.

POINTS OF INTEREST/THINGS TO DO

There is no better way to explore the rugged terrain of Palisades-Kepler than to set off on one of the trails that cover nearly six miles of the park. In the spring, you will find a great variety of wildflowers and may have the chance to see whitetail deer and wild turkey. Even better, enjoy a hike in the crisp air of mid-October when the forest turns to a deep gold color as the leaves begin to fall from the many black maple trees throughout the park.

Enjoy a longer stay at the campground that offers 45 campsites, over half of which have electrical hookups, with modern shower and restroom facilities.

Four cabins are also available for weekly rental during the summer season and two-day minimums in the spring and fall. The air-conditioned cabins accommodate up to four people and feature a small kitchen as well as a shower and rest room. Cabin users should bring bedding, towels, dinnerware, cooking utensils and any other supplies for the outing. The cabins are a great place for an economical family vacation.

A limestone lodge, constructed by the Civilian Conservation Corps in the 1930s, is a great place to host a wedding or family reunion in the park. The building is available for daytime rental and includes a kitchen area with refrigerator and microwave, modern rest rooms and a patio.

Fishing along the Cedar River is another great way to enjoy the outdoors at Palisades-Kepler. Many anglers try their luck along the picnic areas and sandbars that provide convenient access to the river. A wide variety of species are found in the Cedar River, including channel catfish, bass and walleye.

Parking is not allowed along the roadways. Fires are not allowed on the sandbars of the river (only allowed in fire grills provided).
