

Facility/Program/Location:	Northern Plains	Full List A & Is						
Environmental Area of Focus	Relevant Activity/Product/Service (Organization Specific and Planning Area Specific)	Control (1 - No/Low; 5 - High)	Financial Impact (3 - Net 0; 5 - Profit; 1 - Cost)	Magnitude (1 - No/Low; 5 - High)	Total	Comments/Notes	Significant/ O&T (Y/N)	Associated Objective and Target
Environmental Education	Manage information and materials regarding all aspects (public space recycling, tree site, transfer station, drop off locations, curbside).	5	2	5	52	Organization specific	Y	
Environmental Education	Management of social media interactions	5	3	5	53	Planning area specific		
Environmental Education	Outside training for staff (as needed)	5	5	4	50	Organization specific		
Environmental Education	Public outreach through media	5	5	4	50	Planning area specific		
Environmental Education	Public tours (of landfill and transfer station)	5	1	4	46	Planning area specific		
Environmental Education	Staff meetings	5	1	3	41	Organization specific		
Environmental Education	Board and planning area meetings	4	1	3	36	Planning area specific. Includes schools, community groups, etc.		
Environmental Education	Education by other environmental groups	2	5	3	30	Planning area specific		
Greenhouse Gas Reduction	Equipment and vehicle operation at landfill	5	5	5	55	Organization specific		
Greenhouse Gas Reduction	Equipment and vehicle operation throughout city	5	5	5	55	Organization specific	Y	
Greenhouse Gas Reduction	Building use of heat and electricity at landfill	5	5	3	45	Organization specific		
Greenhouse Gas Reduction	Building use of heat and electricity throughout city	5	5	3	45	Organization specific		
Greenhouse Gas Reduction	Equipment and vehicle operation in planning area	2	1	5	36	Planning area specific		
Greenhouse Gas Reduction	Building use of heat and electricity in planning area	2	1	3	26	Planning area specific		
Greenhouse Gas Reduction	Landfill gas generation	1	1	1	11	Organization specific		
Household Hazardous Materials Collection	Acceptance and management of Household Hazardous Waste at RCC	5	5	4	50	Organization specific. Could potentially		
Household Hazardous Materials Collection	Acceptance and management of Household Hazardous Waste at Mobile events and raise awareness of materials collected	5	3	4	48	Planning area specific	Y	
Household Hazardous Materials Collection	Acceptance and management of Household Hazardous Waste at Mobile events and raise awareness of materials collected	4	5	4	45	Planning area specific		
Household Hazardous Materials Collection	Residential generation of Household Hazardous Waste	1	5	4	30	Planning area specific		
Household Hazardous Materials Collection	VSQG generation of Household Hazardous Waste	1	3	4	28	Planning area specific		
Organic Waste Management	Commercial generation of yard waste	1	1	5	31	Planning area specific		
Organic Waste Management	Promote Usage of composted materials at Tree and Leaf site	2	4	3	29	Organization specific	Y	
Organic Waste Management	Acceptance and management of food waste commercial food waste	1	2	4	27	Planning area specific. Includes municipal yard waste?		
Organic Waste Management	Manage/control contamination at Tree and Leaf Site	2	1	3	26	Organization specific		
Organic Waste Management	Residential generation of yard waste	1	1	3	21	Planning area specific		
Recycling Services	Acceptance and management of e-waste at transfer station	5	5	3	45	Organization specific		
Recycling Services	Acceptance and management of asphalt shingle waste	3	1	5	41	Organization Specific		
Recycling Services	Acceptance and management of potentially recyclable materials from Businesses, Construction Co., and Home Improvement projects	3	2	5	42	Planning area specific	Y	
Recycling Services	Acceptance and management of general recyclables at transfer station	4	1	4	41	Organization specific		
Recycling Services	Acceptance and management of general recyclables at landfill	1	3	1	13	Organization specific
