

Iowa DNR/Household Hazardous Materials

Material: Ammonia

Potential Hazards: Ammonia is a respiratory irritant. **DANGER: Ammonia reacts with chlorine bleach to form toxic gas.**

Recycle/Reuse: If you have leftover products in usable condition, check with neighbors, church groups or the local community to see if they can use them. You may also take them to the Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.

Green Alternatives: Substitute vinegar and water for windows, floors, etc.
