

## Iowa DNR/Household Hazardous Materials

**Material:** Heating Oil

**Potential Hazards:** Contains oil. Heating oil is combustible, its vapors are harmful and the product may be flammable.

**Recycle/Reuse:** If you have leftover products in usable condition, check with neighbors, church groups or the local community to see if they can use them. You may also take them to your local Regional Collection Center's swap shop for other residents to use.

**Proper Disposal:** Use this product up or take clean heating oil or heating oil that has been contaminated with gas, water or solvents to your local Regional Collection Center, find yours at [iowadnr.gov/hhm](http://iowadnr.gov/hhm) under the RCC tab.

**Green Alternatives:** Geothermal Heating, Solar Heating
