

Iowa DNR/Household Hazardous Materials

Material: Metal Cleaners

Potential Hazards: Metal cleaners may contain petroleum distillates and/or ammonia, which are harmful or fatal if swallowed.

Recycle/Reuse: If you have leftover cleaners in usable condition, check with neighbors, church groups or the local community to see if they can use them. You may also take them to your local Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.
