

Iowa DNR/Household Hazardous Materials

Material: Artist's Paint

Potential Hazards: May contain metallic pigments, chrome/copper. Harmful if swallowed.

Recycle/Reuse: If you have leftover paint, check with neighbors, church groups or the local community. You may also take it to your Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Take unused or unwanted paints to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.

Green Alternatives: Look for non-hazardous paints made with natural pigments, or watercolors.
