

Iowa DNR/Household Hazardous Materials

**Material:** Photographic Materials

**Potential Hazards:** May contain hydroquinone, sulfides, iodides. Used fixer and bleach solutions contain high levels of silver and should be handled as Household Hazardous Materials (HHM).

**Recycle / Reuse:** If you have leftover materials in usable condition, check with your local community college, which may have classes that could use the products.

**Proper Disposal:** Use this product up or take it to your local Regional Collection Center, find yours at [iowadnr.gov/hhm](http://iowadnr.gov/hhm) under the RCC tab.

**Green Alternatives:** Digital photography.
