

Iowa DNR/Household Hazardous Materials

Material: Lawn, Garden or House Plant Insect Killer

Potential Hazards: May contain malathion, carbaryl. Harmful if swallowed, inhaled or absorbed through skin.

Recycle/Reuse: It is against the law to share opened pesticides. Please dispose of them properly.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.

Green Alternatives: Plant pest-resistant plants, and provide the right amount of sunlight and water. There are traps or barriers for many pests. Biological controls, predators, and plant-based soaps are also green alternatives.
