

Iowa DNR/Household Hazardous Materials

Material: Smoke Alarms or Detectors

Potential Hazards: Ionization detectors may contain a very small amount of low-level radioactive material.

Recycle/Reuse: If you have a new, unused smoke alarm in usable condition, check with neighbors, church groups or the local community to see if they can use it.

Proper Disposal: This product should be returned to the manufacturer for proper disposal. Check the instruction sheet or box that came with the detector or look up the name brand on the internet. Regional Collection Centers do NOT take Smoke alarms.
