

Iowa DNR/Household Hazardous Materials

Material: Solvents

Potential Hazards: May contain acetone, naphtha, and/or methyl ethyl ketone, which are flammable, contain harmful vapors and can be harmful or fatal if swallowed.

Recycle/Reuse: If you have leftover solvent in usable condition, check with neighbors, church groups or the local community to see if they can use it. You may also take it to your local Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.

Green Alternatives: Citrus-based solvents may work for some jobs, especially cleanup. Look for green alternatives at your local retailers.
