

Iowa DNR/Household Hazardous Materials

Material: Spot and Stain Remover

Potential Hazards: May contain naphtha. Vapors are harmful and the product is harmful or fatal if swallowed.

Recycle / Reuse: If you have leftover products in usable condition, check with neighbors, church groups or the local community to see if they can use them. You may also take them to your local Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.

Green Alternatives: For both laundry and carpets, it is usually best to start with clear, cold water and a mild soap such as liquid Ivory. Blot carefully; don't rub.
