

Iowa DNR/Household Hazardous Materials

Material: Toilet Bowl Cleaner

Potential Hazards: May contain chlorine bleach, disinfectants, and acids, which can cause skin or eye burns.

Recycle/Reuse: If you have leftover products in usable condition, check with neighbors, church groups or the local community to see if they can use them. You may also take them to your local Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab.

Green Alternatives: Use non-chlorinated scouring powder (such as baking soda) or castile soap. Non-acid green cleaners with natural plant-based ingredients are available at your local retailers and are better for your family and the environment.
