

Iowa DNR/Household Hazardous Materials

Material: Transmission Fluid

Potential Hazards: May contain petroleum hydrocarbons. This product is harmful or fatal if swallowed and may be flammable.

Recycle/Reuse: If you have new or unused products, check with neighbors, church groups or the local community to see if they can use them. You may also take them to your Regional Collection Center's swap shop for other residents to use.

Proper Disposal: Use this product up or take it to your local Regional Collection Center, find yours at iowadnr.gov/hhm under the RCC tab..

Green Alternatives: Use mass transportation or consolidate trips so you drive less. Driving less will also reduce chemical use and prevent air pollution.
