

SOLID WASTE ALTERNATIVES PROGRAM

Food Storage Capacity Grant Offering Guidelines

The Iowa Department of Natural Resources is offering grants to non-profit food banks and food pantries and other non-profit entities receiving donated food for distribution to food insecure Iowans. Up to \$150,000 is available to award to selected applicants. Preference will be given to entities not receiving funding assistance through the previous Food Storage Capacity grant offer and projects that will accept additional perishable and non-perishable food donations that otherwise would be declined for lack of storage capacity.

Individual awards of up to \$8,000 in grant funding is available, on a competitive basis, for projects seeking:

- additional storage (i.e. shelving) to facilitate managing donated food; and
- additional cold storage to increase the availability of perishable food items and to minimize the loss of perishable food items prior to distribution to food insecure Iowans. Freezers and refrigerators must be **Energy Star** rated. Walk-in coolers, and freezers and other commercial or industrial equipment not **energy Star** rated, must be energy efficient as identified by the Dept. of Energy.

Applicants must use the DNR provided grant application. Applications will be reviewed on an on-going basis until available funds have been awarded.

Projects funded under this grant offering are required to enter into an agreement with the DNR and provide a final report summarizing the project and project results. The final report may include, but is not limited to, the number of people/families served, the amount of food distributed, the increase in acceptance of donated food made possible by increased storage capacity and the resulting decrease in spoiled perishable food items landfilled.

Applicants receiving funding **must** follow applicable food safety guidelines.

Applicant Eligibility

Eligible applicants include non-profit food banks and food pantries and other non-profit organizations responsible for accepting and donating edible food to food insecure Iowans.

The Department reserves the right to verify any information presented in the application. If an applicant is selected to receive financial assistance, an offer of financial assistance may be rescinded if the applicant is determined to be out of compliance with local, state or federal regulations or does not meet the conditions of eligibility.

Proposal

Proposals for financial assistance must be submitted electronically through the Land Quality Bureau and must use the application forms and format provided herein. Electronic proposals must be submitted with the subject line "**Food Storage Capacity Grant Offer**" to reid.bermel@dnr.iowa.gov.

Proposals submitted for financial assistance consideration are not guaranteed funding.

Financial assistance offers may be less than the full amount requested by the applicant.

Proposals are considered public information and are available for review upon request.

Proposals **must be** signed by an authorized representative of the applicant

A current W9 form will be required of applicants awarded grant funding.

Iowa Waste Exchange (IWE) representatives are available to discuss your project and assist with proposal writing upon request. To find the IWE representative serving your area of the state, go to www.iowadnr.gov/faba and click on Iowa Waste Exchange (IWE).

Proposal Submission Guidelines

Proposals should contain sufficient detail for reviewers to visualize and understand the project in its entirety. Applicants must:

- Submit a **signed**, original completed electronic proposal;
- Utilize forms contained herein;

Proposal Review

- Proposals will be reviewed and funding decisions made within approximately 30 to 45 days.
- If a proposal is determined to be incomplete, the proposal may be rejected.
- Based upon review of proposals, additional information may be requested for projects meriting further consideration. A request for additional information does not guarantee funding.
- Award recipients shall enter into an agreement with the Department of Natural Resources, signed by both parties. A fully executed agreement must be completed prior to incurring costs for which awarded funds will be claimed for reimbursement.

Eligible Expenses

Applicants may request financial assistance for the purchase, delivery and installation of:

- Shelving to properly store donated food items prior to distribution;
- Cold storage **Energy Star** rated freezers and refrigerators; and
- Cold storage, energy efficient walk-in coolers, and freezers and other commercial or industrial equipment designed to extend the shelf life of donated perishable food items for distribution to food insecure Iowans.

Award Disbursement and Agreement Requirements

Funds will be released on a reimbursement basis after a correctly completed Grant Expense Sheet (Department provided) and supporting documentation (i.e. invoice, cancelled check, etc.) has been submitted to the Department for payment.

Project costs incurred prior to an executed agreement or costs not identified in the agreement budget are ineligible for reimbursement.

Projects selected to receive financial assistance must:

- enter into an agreement with DNR within 1 month of grant award notification;
- provide a current W9 form; and
- submit a correctly completed Grant Expense Sheet claiming grant reimbursement within three (3) months from the start date of the executed agreement between the applicant and the DNR.

Failure to meet the above conditions may result in the DNR rescinding any financial assistance offer in the absence of prior written approval between the grant recipient and the Department.
