

CLEAR LAKE STATE PARK

6490 S Shore Drive, Clear Lake, IA 50428

Welcome to Clear Lake State Park on the southeast corner of the beautiful 3,643-acre Clear Lake, one of the major outdoor recreation features of northern Iowa. Although the state park is only 55 acres, it offers tremendous diversity of outdoor recreation opportunities due to its location on the lake as well as its natural beauty. Clear Lake State Park is a wonderful place to camp, fish and picnic, or just relax on the beach.

PARK AMENITIES/POINTS OF INTEREST/THINGS TO DO

Clear Lake State Park has one of the most popular campgrounds in the Iowa state park system, encompassing a plethora of campsites, most of them being electric. Modern restrooms and shower facilities are available for camper convenience.

The park features more than 10 acres of picnic grounds with tables and grills. The shady picnic areas provide a great place for a family cookout. Playground equipment for small children is located in the picnic area adjacent to the campground. There are also two reservable shelters available. The Lions Shelter is tucked back into the woods behind the lodge and the Ritz Shelter is about two miles down the road from the park next to the lake patrol station.

A day-use lodge is located in the picnic area near the beach. Built in 1938 by the Works Progress Administration, the lodge was renovated in the 1998 and features a stove, refrigerator, microwave and rest rooms along with a rustic fireplace. The lodge is a popular rental facility for weddings, family reunions and other large group gatherings.

The 900-foot sandy beach is in close proximity to the picnic area and campground. A concrete path runs the length of the beach and is universally accessible.

Clear Lake offers great fishing for walleye, yellow bass and the elusive musky.
