Four accessible fishing access sites are available at the Chuck Gipp Decorah Fish Hatchery. All are accessible from the paved parking area via a paved sidewalk. All four sites provide anglers with close access to Trout Run for an improved angling experience. Trout Run is stocked with Rainbow Trout weekly, April through October.

**Site 1-** A paved sidewalk provides access from the parking area. This fishing location is approximately 100 feet south of the parking area. A bench provides a relaxing location to fish.

**Sites 2 and 3-** Following the paved sidewalk east from the parking area, you find accessible fishing Sites 2 and 3. Site 2 and 3 are approximately 230 and 270 feet, respectively, from the paved parking area. Both provide easy fishing access to Trout Run.

**Site 4-** Continuing east down the paved sidewalk past accessible fishing Sites 2 and 3, anglers will reach the end of the paved path arriving at accessible fishing Site 4. This fishing location is approximately 340 feet from the parking area.

**Site 5-** The accessible restrooms and shelter is located 100 feet from the paved parking area. The restroom is accessible from all fishing sites via paved sidewalks.
