Septage Disposal Totals and Fee Calculation

New license fees are $150 per year for the first registered vehicle and $50 for each additional vehicle. If you will land apply any septage during this fiscal year (July 1 - June 30), there is an additional prorated fee of $300 ($25 per month).

#	Disposal Method	Volume/ Count	Fee Amount			Fee Totals
1	Total taken to a Disposal Facility/WWTP (from Disposal Facilities table)		no fee			NA
2	Total volume of septage to be land applied (from Land Application Sites table)		Months left in fiscal year (number)*:		x $25.00 =	
3	First Vehicle	1	x $150.00 =			$150.00
4	Number of Additional Vehicles		x $50.00 =			
			Total Annual Fee (Sum of lines 2, 3, and 4):			

*The number of months left in the fiscal year is the count of the months remaining until July. For example, if you submit this application in October, there would be 8 months remining until the following July.

You must determine your total annual fee amount and submit a check for that amount with this application, payable to the Iowa Department of Natural Resources. Upon receipt of this signed application and the correct fee, you will be issued a Commercial Septic Tank Cleaner license.

Certification: I understand that violations of any of the provisions of 567 IAC Chapter 68 may lead to revocation of the license. I hereby certify that this application contains no willful misrepresentations or falsification and that the information given by me is true and complete to the best of my knowledge and belief. I am aware that should investigation at any time disclose any such misrepresentation or falsification, my application will be rejected, my license will be revoked, and I will be disqualified from applying in the future for any license or certification under the jurisdiction of the Iowa Department of Natural Resources.
